

FINAL REPORT

REFLECTIVE QUESTIONNAIRE

1. **What changes (if any) were made to your program's original design?**
 - a. *Why were these changes made?*
 - b. *What impact did they have on your stated outcomes and program implementation?*

2. **What specific progress and/or accomplishments have you made against your stated outcomes?**
 - a. *How did you measure these outcomes?*

3. **What key learnings have you encountered as a result of implementing this program?**
(Your response should focus on what has worked well in the program and what have been the most significant barriers or surprises that affected the program development and implementation.)

4. **The mission of the Mathile Family Foundation is *Helping Children Fulfill Their Potential*. We believe that a focus on the three pillars of *Community, Education and Family* will have the greatest impact on our mission.**
 - a. *In addition to impacting your organization's mission, please explain how your program is helping the Foundation to meet our mission.*
 - b. *As a grantee within the Community/Education/Family Pillar, please explain how your program is contributing to the following belief statement of the Foundation. (Insert belief statement)*

5. **The Foundation has found that having personal stories of our grantees' experiences enables us to put a face on our grantmaking through real life examples of your successes, failures and challenges.**
 - a. *Give specific examples of an incident in your program or with a client that you consider to be a success and one that you consider to be a failure or challenge.*
 - b. *What did you learn from these experiences?*

6. **In what ways did funding from the Foundation impact the capacity of your organization?**

7. **Please share any additional information or thoughts that you would like us to know about your program, industry trends, client population, organizational concerns, community challenges, etc.**

SUPPORTING DOCUMENTATION

1. Please provide an updated project budget itemizing income and expenses to date. Describe any budget changes that occurred during the implementation of the program.
2. If appropriate, please submit any pertinent materials (i.e. newsletters, photos, article, brochures) that may support your answers to this questionnaire.
